DAISY 928 - REG.#16442609

Sons out of Insight will be featured

LORETTA 701 - REG.#15732623

Sons out of Insight and Brilliance

For the last 40 years we've attempted to stay on the forefront of running a progressive Angus operation. As our customer, we strive to maximize your profits by delivering a product that keeps your cattle ahead of the industry curve. With that in mind, we will be expanding our donor program over the next several years which will strengthen and deepen the quality of bulls and females we have to offer you. Look for bulls out of these outstanding females pictured to headline our 2016 sale.

Accelerated Genetics Tour Stop

On August 24th, we welcomed a national group of Regional Sales Reps from Accelerated Genetics to the farm as part of their 3 day tour of Angus herds in the Upper Midwest. Accelerated Genetics purchased MAF Destination from us at our March sale and they came to view Destination's dam along with other females and calves that trace back to bulls they promote. For us, it was a welcome opportunity to showcase the quality of seedstock we have to offer and meet the folks that work across the nation for a reputable and top semen company. Mogck Angus Farms would like you to consider MAF Destination in your AI plans for 2016 and welcome any calls and questions about the bull.

Success In The Show Ring

We are very proud of the youth that enjoyed success this past year while showing Mogck Angus Farms genetics. The Sanders family from Ohio won Champion Angus Steer at the Ohio State Fair this year which followed a Reserve Champion finish last year with a steer they purchased from us. Congratulations Sanders family! Also on the winning end was the Teets family from West Virginia which took overall Supreme Champion Heifer at the 2015 West Virginia State Fair. This heifer beat out the best heifers of all breeds and was a heck of an accomplishment; congratulation Teets family!!

Grand Champion Angus - 2015 Ohio State Fair
Sanders Family

Supreme Champion Heifer - 2015 West Virginia State Fair
Teets Family

Thank You!

Whether you're longtime customer of ours or someone that's never been but has interest in our program, we value your opinions and suggestions and would like to hear from you. Please feel free to call or stop by the farm anytime. We will also be taking bulls to the 2016 National Western Stock Show and would love for you to stop by our stall in the yards to visit with us. Have a wonderful Holiday season and thank you ever so much for your patronage!!
